Deadline extended to 17 June 2022

Deadline extended for ETW survey

Please give us your feedback and suggestions for the #EuroTestWeek initiative and get a chance to **win a trip to the HepHIV Conference in Madrid** (13-15 November 2023)!

The survey deadline has been extended until the 17th of June. It is very important that all participants who ever participated in #EuroTestWeek complete this survey to help us improve the initiative and determine the future direction.

HepHIV **2023**
13-15 NOVEMBER • MADRID

Save the date!

The next biennial HepHIV conference will take place on **13 -15 November 2023** in **Madrid, Spain**. Since 2007, the EuroTEST Initiative has organized biennial conferences on optimal testing and earlier care, focusing on both Hepatitis and HIV.

The conferences bring together civil society, policymakers, health professionals and European public health institutions and provide these stakeholders with the opportunity to learn from each other and to reflect on experiences, achievements and challenges.

The conference format includes a mix of plenary sessions, expert panel and roundtable discussions and moderated parallel sessions driven by submitted abstracts selected by the

Conference Organising Committee based on a thorough review process. Updates on the conference will be posted on <https://eurotest.org/Conferences>

If you have any questions related to the conference, please contact the Conference Secretariat at hephiv.rigshospitalet@regionh.dk
